

### General information:

The cost estimate has been prepared on the basis of the project information currently available. In the event of changes, a recalculation could be made. If this is the case, ORT will immediately communicate this as soon as it has been ascertained.

Irrespective of the eligibility for special legal protection of the individual services created by the contractor - whether tangible or intangible works or their adaptation - the client acquires tangible and/or intellectual property rights to the works upon full payment of the agreed remuneration, insofar as this is legally possible. The granting of rights does not include the so-called raw material of film recordings, open data or similar materials. These are also not subject to any transfer obligation to the client. The granting of rights to the individual works shall be exclusive as a matter of principle, as well as unrestricted in terms of space, time and in any other way, insofar as no other agreement has been made in advance or other impediments exist.

The following cancellation and postponement conditions apply to the booking of film and foto shoots:

In case of a cancellation or postponement of the booked film or foto shoot up to 7 working days before the shooting day, 50% of the film crew, film studios (if applicable) and equipment costs will be charged. If the film or foto shoot is cancelled/postponed up to 3 working days before the day of the shoot, 100% of the film crew and equipment costs will be charged.

The above mentioned conditions only apply on offer positions concerning the film- or foto shoot: Pre-production (Senior Project Manager, Account Manager, Shooting Prep / Organization), Production (Senior Creative Producer, First Deputy Filming Director, Filming Assistant, Senior Lighting Engineer, Radiographer, Intermediate Props Engineer, Makeup Artist, Creative Director, Filming Equipment and Film Studio Costs (if applicable)).

Travel and hotel expenses related to the film or foto shoot will be charged depending on the cancellation policy of the hotel/airline/car rental provider regardless of the date of cancellation or postponement.

Travel costs and expenses for journeys to be undertaken in connection with the order and agreed with the client are to be reimbursed by the client.

Two correction loops based on design, construction or content-related requests for additions or changes by the client are included. Significant additions, extensions or changes that were not part of the client's briefing specifications will be charged separately.

The prices and time limits apply as specified in the Messe Düsseldorf Online-Order-System.
